FAQ's about the KDV Kids Junior Tennis Programs

Below is a list of some of our most common queries. If you have a question that isn't listed below give us a call on 55960404 and we'll fill you in.

Tennis Programs

We provide a wide range of tennis coaching programs. Our team of tennis coaches and physical trainers are fully qualified professionals trained to the highest level. All of our coaches are required to attend regular staff training and professional development sessions.

What should I bring along?

Comfortable enclosed sports shoes, a hat, water bottle and racquet. If you do not have a racquet, our coaches will be able to lend you one temporarily.

How are groups determined?

After initially being enrolled in a class suitable for their age and skill level, students will be assessed by their coach and may be moved to a group that is more appropriate to their standard.

What is the class size ratio?

The tennis class sizes vary depending on the coaching program. It is important for our players to have a similar skill level and age across all of the players within a group. Class size ratios are listed below:

30 min Groups – average 6:1

60 min Groups – average 6:1

90 min Groups – average 6:1

Program Length

Our coaching programs run for 40 weeks per year. We do not coach on public holidays or State School holidays. We do coach on student free days at our centres, but not at the school locations. Please remember, your enrolment and payment authority remains in place until you notify us of your intention to cease.

Put simply, if you want to stop lessons we need 14 days notice in writing – just write us a quick email and it will be taken care of for you!

Are the students assessed?

Yes, our tennis students are assessed against broad criteria set down by Tennis Australia every six months. We try to communicate with parents regularly regarding their children's progress. Students are progressed using the Tennis Australia endorsed Hot Shots system.

Can parents watch?

Yes, parents are encouraged to watch, however we ask that parents do not enter the court unless requested by the coach.

Payment?

Payments for lessons are charged weekly in advance from your nominated credit card or bank account. **You are free to stop lessons at any time by providing 14 days written notice.** We do not issue accounts, or accept ad-hoc payments over the counter. If you prefer one off full term debits to be taken each term this can be arranged. All regular coaching programs are charged by Direct Debit and **your commitment to the program you enrol in is limited to 14 days.**

Joining Fee?

No we do not charge a set up or joining fee

When should I start?

Our coaching programs are continuous. They are designed to allow students to commence learning from any point within the year. Our focus is to ensure each student is grouped with players of a similar age and skill level. We use the Tennis Australia endorsed Hotshots program to teach and grade students.

What age can I start?

Players can commence lessons from age 3. We hold special 30 minute classes “Hot Shots Blue” for players aged between 3 & 5.

What is “Hot Shots Match Play”?

Hot Shots Match Play is a specific coach supervised activity that allows students to practice what they have learned in their lesson. We highly recommend Hot Shots Match Play for all students enrolled in tennis lessons as involvement in this program greatly accelerates skill acquisition and improvement. Match Play is a FREE inclusion for ALL players in our KDV Kids Junior Tennis program from red ball and up.

Hot Shots Coaching vs. Hot Shots Match Play

“Hot Shot Coaching” refers to the Tennis Australia endorsed system of coaching and grading based on using modified equipment and coloured balls red, orange and green.

“Hot Shots Match Play” is the name given to the program where players are graded based on their ball colour (i.e. orange) and play against other players in a fun, supervised, team environment. It is not a lesson, but it a great way to practice the skills learned in their lesson.

WET WEATHER

What happens if it rains?

We will do everything possible to run our programs as scheduled, however on occasion weather may force us to cancel. Decisions to cancel lessons will generally not be made until immediately prior to the scheduled lesson commencement time.

Who do I call?

You can contact our centre immediately prior to the lesson scheduled commencement time. Please call the reception team on 55960404. Alternatively you can check for regular weather updates on the KDV Kids Facebook page.

When is the make-up for the wet weather lesson?

To book a make-up session please speak to your coach about what other days/ classes are available with room to attend. Make up session must be booked in advance. Alternatively credit from missed sessions can be used towards our holiday programs if a make-up session cannot be arranged. Make ups and credits must be used within one school term and do not carry over to the next term.

Make-ups

Due to our strict class size requirements, we do not offer make-up classes for casual absence or sickness. However if you are absent from class for an extended period of time i.e. more than 2 weeks, please contact us to make alternate arrangements.

School Lessons

Again we do everything in our power to ensure the lesson is held on the scheduled day. At most schools we have an undercover area that we can utilize if the courts are unplayable. Check with you coach to find out the procedure for your school. Lessons lost due to wet weather can be made on the wet weather makeup day at any of our centres. Remember to book your place in these classes.
